Special train «Prestige Continental-Express»

Sunday, 24 January 2027

A stylish journey through time to the Bernese Oberland with the Belle Époque experience aboard the “Prestige Continental-Express”

The “Prestige Continental-Express” is a tribute to the golden age of travel. Since 1999, the former dining cars of the German Federal Railway have been lovingly transformed, with meticulous attention to detail, in the style of the legendary salon carriages of the “Orient-Express”.

Today, the carriages “Le Salon Bleu” and “Le Rubis Noir”, together with the elegant piano bar “Le Diamant”, offer a truly unique travel experience. Fine materials, stylish interiors and a distinctive atmosphere bring back the splendour of the Belle Époque. On board, guests can savour the unmistakable “Art de Vivre” of a bygone era. Inspired by the legendary Grands Express Européens, the Prestige Continental-Express combines nostalgic charm, first-class comfort and culinary excellence into a journey where the experience begins the moment you set off.
